90 Minute Free Transfer

Request a free transfer from your operator when you board and it will give you 90 minutes of free travel from the time you board the bus. You may travel in any direction, on any route.

You can make short round trips with only one fare as long as you board the return bus before your transfer expires. For example, say you are taking the bus to the bank on your lunch hour. Get off the bus, do your banking, then get back on the bus to return to work by showing your transfer.

Remember, a transfer is valid only on the day it is issued and is not transferable.
